Ford Motor Company/Golden Key Undergraduate Scholarships

In addition to these exciting programs, the Society also awards annual scholarships to the outstanding junior and senior initiates at each chapter's induction ceremony. The awards are selected based on scholastic achievement, campus and community leadership and community service, and they recognize all majors from accounting to zoology.

Golden Key gratefully acknowledges the generous support of Ford Motor Company in funding these scholarships. This pledge demonstrates Ford's inspirational commitment to excellence in higher education. Since joining the Golden Key Corporate Council in 1994, Ford Motor Company has been a champion of the Society's mission. Together, Golden Key and Ford have taken great strides toward accomplishing that mission. The generous support of Ford Motor Company has empowered Golden Key to attain new levels of rewarding excellence.

50 Questions Recruiters Ask College Seniors

The purpose of an interview is for the interviewer to find out about you, the prospective employee. The employer wants to know about you in order to make a decision about hiring, and you want the employer to know about you so that the decision will be favorable. Dr. Frank Endicott has done a report on college recruiting, and below are 50 questions from the report that were asked by employers during interviews with college seniors. Read the questions, and formulate your answers. A good interview often determines whether or not you get hired. Remember — nothing beats proper preparation.

- What are your long- and short-range goals and objectives? When and why did you establish these goals, and how are you preparing to achieve them?
- What specific goals, other than those related to your occupation, have you established for yourself over the next 10 years?
- What do you see yourself doing five years from now?
- What do you want to do in life?
- What are your long-range career objectives?
- How do you plan to achieve your career goals?
- What are the most important rewards you expect in your business career?
- What do you expect to be earning in five years?
- Why did you choose the career for which you are preparing?

- How do you determine or evaluate success?
- What do you think it would take to be successful in our company?
- In what ways do you think you can make a contribution to our company?
- What qualities should a successful manager possess?
- Describe the relationship that should exist between a supervisor and those reporting to him or her.
- What two or three accomplishments have given you the most satisfaction? Why?
- Describe your most rewarding college experience.
- If you were hiring a graduate for this position, what qualities would you look for?
- Why did you select your college or university?
- What led you to choose your field of major study?
- What college subjects did you like best? Why?
- What college subjects did you like least? Why?

- Why did you decide to seek a position with this company?
- What do you know about our company?
- What two or three things are most important to you in your job?
- Are you seeking employment in a company of a certain size? Why?
- What criteria are you using to evaluate the company for which you hope to work?
- Do you have a geographical preference? Why?

Invest in Excellence

During the 2001 campaign, US\$26,405 was donated to the Invest in Excellence endowment and annual fund by members of the Golden Key Board of Directors, international headquarters staff, past chapter leaders, past scholarship recipients and honorary members. The Golden Key Invest in Excellence fund was established in 1998 to build a long-term foundation of support for members and chapters in the form of scholarships and awards. We greatly appreciate all who gave generously to the Society.

A special thanks is extended to Drs. Walter Herndon and Faye Borthick for completing their five-year pledge of \$25,000 to the Invest in Excellence endowment. An undergraduate scholarship has been named in their honor and will be awarded in perpetuity at the University of Tennessee at Knoxville.

Annual fund gifts in the amount of \$4,600 were distributed to the following scholarships and programs:

- International Student Leadership Award — Faun Hammond, San Jose State University — \$1,000
- Dr. Mark Stout President Leadership Award — Michigan State University — \$1,000
- Drs. Walter Herndon and Faye Borthick Award — Elizabeth Urello, University of Tennessee, Knoxville — \$500
- J.M. Claxton Scholarship — Brenda W. Crooms, Georgia Southern University — \$500
- 16 Regional Chapter Service Awards — \$100 each

Golden Key is launching the 25th Anniversary Campaign in honor of the Society's 25 years of recognizing and promoting outstanding academic achievement and service.
