Founding Member
Owner, Brad Rainey Homes

Brad Rainey is a founding member of Golden Key International Honour Society and has served as a member of the Society's Board of Directors since its inception. Brad has been a very active member of the Board and has never missed a meeting. He has served as Vice Chair of the Board almost continuously for over 25 years. He has also served as the Secretary of the Board of Directors and has chaired the Finance and Personnel Committees. In addition, he has served on almost every significant committee or task force created by the Board of Directors during the life of the organization and was instrumental in the creation of the Scholarship Fund and the Graduate Scholarship program.

Professionally Brad is a homebuilder and developer with 28 years' experience meeting the housing needs of families. He is a licensed general contractor and real estate principal broker in Tennessee and Mississippi who has worked on affordable housing, public housing and housing for the elderly and handicapped. Brad is also a CPA with wide knowledge of real estate finance. He has a long record of community involvement. Brad is president of Brad Rainey Homes, Inc., a construction company engaged in general contracting with a primary focus on construction and renovation of single family homes and development of single-family lots. Independently and in partnership with others, the company has completed over 800 houses and 1,500 lots in Tennessee, Mississippi and Virginia. Other projects include light commercial construction and development of 176 units of housing for the elderly.

A recognized leader in the housing industry, Brad currently serves as a Commissioner of the Tennessee Housing Development Agency, as a Trustee for the Home Builders Association of Tennessee Self Insurance Trust and as a life member of the Board of Directors of the National Association Home Builders. Both the Memphis Area Home Builders Association and the Tennessee Home Builders Association have recognized Brad as their Builder of the Year and he has been inducted into the Building Industry Hall of Fame.
