OPPORTUNITIES

Willamette University's MBA for Professionals, located in both Salem and Portland, Oregon, offers a convenient evening, in-class format for those fully employed and seeking career advancement. [Click here](#) to learn more about an MBA from

"As we learn to become leaders of business, government and not-for-profit organizations through the Willamette University MBA, we are

encouraged to also become better citizens. I was thrilled to find an MBA program whose core values correlated so closely with my own." Kelly Intile, MBA '10, Golden Key Member.

[International WaterCentre \(IWC\)](#) is the business centre for building international capacity in integrated water management, located in Brisbane, Queensland, Australia. IWC aims to be a leader in promoting new ways of

thinking about water management, consciously encouraging people to acknowledge the multi-dimensional nature of future water challenges and the critical role culture, politics and society have in shaping solutions. Golden Key members receive **AUD\$2,000 off the tuition fees** for the Master of Integrated Water Management program at the International WaterCentre.
